

We started working with Panattoni Global in 2020 to provide project management on minor works to their reception area, our relationship developed with a more significant project in 2022 when we provided space plans, tender support and PM services for their relocation to Old Bond Street, Mayfair.

THE WORKSPACE CONSULTANTS

The new office project was beautifully designed, detailed and built by the successful bidder, Arke Interiors. Interestingly, Panattoni remained deeply involved in the specification choices for all finishes and the space became a very personal reflection of style.
